VISION
MONDAY 2010

Classic Optical is a modern, award-winning full service ophthalmic fabrication laboratory with state-of-the-art manufacturing facilities continuously upgraded with cutting edge technology through ongoing reinvestment.

With a dedicated team of experienced optical craftsmen and craftswomen, skilled and certified in producing superior quality eyewear, you are assured of eyeglasses made precisely to your specifications, sent with rapid turnaround to your offices accompanied by our pledge of 100% satisfaction. Classic Optical offers best in class production techniques including digital surfacing (free-form) and a fully automated finish department with robotic verification of blocking, edging and drilling.

Classic Optical annually produces more than 400,000 pairs of custom, precision crafted eyeglasses for well over 4,000 provider offices from Maine to California. ■■
